What Will The Override Provide For Our North Andover High School?

WITHOUT OVERRIDE

High School
With the base budget, plus an additional \$675,000 from the Finance Committee approved at Town Meeting, the High School received 6.6 teachers to address the enrollment growth. This deficiency was identified as part of the New England Association of Schools and Colleges accreditation warning North Andover High School received.

WITH OVERRIDE

High School
With additional funding from the override, the High School receives two programs for students with behavioral and emotional issues. These programs will help reduce reliance on high cost out-of-district placements.
